

RULES
XX International Art Competition
„The Garden of Beauty, Kindness and Joy. Birds”

Organizers:

Mr Ludomir Handzel Mayor of Nowy Sącz
Youth Palace in Nowy Sącz, Poland

2026 theme: Birds.

This year's edition is dedicated to birds. Over 10,000 bird types are found all across the world. Birds are incredible creatures that bring colour, pattern and sound to our landscape.

They come in all shapes and sizes. Some birds are massive, while others can fit in the palm of our hand. Some are beautiful, some – powerful and dangerous, others (hens, ducks, geese or turkeys) - offer unique benefits to farmers and their land.

We encourage young artists to portray birds of their choice.
